**MOTO Fundraiser:** As you heard a couple of weeks ago, the Haiti Literacy Program is in need of your donations to purchase a moto in order for teachers to be able to make it to their classes more consistently. We have a goal of raising \$5,500 by June 15. If you would like to participate in this opportunity, please find an envelope addressed to COTP on the table by the council room. You can mail in your contribution or put it in Christy Groen's mailbox. Any donations over this amount will help us pay for fuel and future repairs. Thanks for your past support of this ministry and for considering how you might continue to participate.
