MOTO Fundraiser: As you heard a couple of weeks ago, the Haiti Literacy Program is in need of your donations to purchase a moto in order for teachers to be able to make it to their classes more consistently. We have a goal of raising \$5,500 by June 15. If you would like to participate in this opportunity, please find an envelope addressed to COTP on the table by the council room. You can mail in your contribution or put it in Christy Groen's mailbox. Any donations over this amount will help us pay for fuel and future repairs. Thanks for your past support of this ministry and for considering how you might continue to participate.

Every year, Children of the Promise holds a Spring Campaign. This year our theme is **Fanmi = You belong.** Family, or "Fanmi" in Haitian Creole, is at the core of Children of the Promise's ministry. We ask that you join with us in learning about and celebrating the ways God uses unique family structures to serve the needs of the children we serve. Our goal is to raise \$75,000 towards general operations, which will allow us to sustain the day-to-day ministry of providing support and care for at-risk children and families in Haiti. **We are excited to announce that we have already raised just under \$17,000 in the first two weeks!** We are excited and prayerful about what the next four weeks will hold for us as we trust in God's provision. Please consider partnering with us in prayer and giving. Visit our website to give at childrenofthepromise.org. Every \$30 donation will receive a unique spring campaign t-shirt in the mail, or we can set up a time for you to pick up in our Willmar Office! And follow us on Facebook/Instagram to receive unique spring campaign content!

Prayer requests from Pastor Kyle Sandison and Trinity Hill Church:

~Pray that God would continue to lead us and empower us by his Spirit as we are sent into our neighborhoods and communities to share his love in word and deed. Pray that the Spirit would help us connect with our neighbors and that we would be salt and light in the world.

~Pray for our youth and children's ministries. Our GEMS program just wrapped up for the year. We have a new children's ministry during Sunday worship, and we are planning Vacation Bible School for June 15-17 and 19. Pray that those ministries would grow and flourish and that many kids would hear and know about God's love for them.

~Pray that God would lead us and provide for us as we consider our location long term. It could mean simply staying where we are, or perhaps moving into a more permanent location that we could call our own. Pray for discernment and wisdom as we seek God's leading, and that God would continue to provide for our needs.

~Pray for our church as we continue to mourn the loss of our pastor, Arlan. Pray for healing, comfort, and peace. We miss Arlan and we are thankful for all that God did through him, and we are grateful for the way that God has walked alongside us during this time of change and transition.
