Sunday School Offering – Mosquito Nets for India

For the spring semester, the Sunday School students will be partnering with the Luke Society to purchase mosquito nets for families in India. Many people in India suffer from malaria which is carried by mosquitoes. One method to prevent the spread of malaria is to use mosquito nets. Rev. Prem and Dr. Pushpa from the Luke Society give out nets to poor villagers and instruct them on how to use them and on how to improve their surroundings to prevent malaria. This makes a huge difference to the health of these poor families. If they can prevent malaria and the costs of treating malaria, they remain healthier and have more money to spend on food instead of malaria treatments.

As a Sunday School, we want to see how many individuals we can bless with the gift of a mosquito net. One mosquito net cost roughly \$6, and each year the Luke Society tries to hand out over 300 nets in India. *How many nets can we help them purchase??*

The Wheaton College Men's Glee Club and Women's Chorale, under the direction of renowned choral conductor Dr. Jerry Blackstone, will be performing at **First CRC in Prinsburg, on Sunday, March 3 at 7:30pm**. Both the Chorale and Glee Club have a long history of presenting quality choral music. These dynamic choral ensembles will present a wide range of choral works, both new and old, as they spread the message of hope found in the gospel of Jesus Christ.

Helping Hands Mission Trip – The Prinsburg First CRC Helping Hands group is organizing a mission trip to Colorado City, Arizona on March 8-16. Last year, we came alongside Brody Olson of Grace Reigns Ministry and helped them build a church that accommodates a youth center, thrift store, and ministry center. This year we plan to return there to help finish the exterior of the building as well as some interior work. If you enjoy this type of adventure, please consider joining us. We could use about 10-12 volunteers. Please pray about it, and if the Lord is prompting you to join us, contact Duane Bonnema (320-212-9660) or Andy Ypma (320-510-0142).
