### **Sunday School Offering – Mosquito Nets for India**

As our Sunday School year is coming to a close, so will our offering project for mosquito nets. We are so excited to say that our Sunday School children have met their goal of raising enough money to purchase 50 nets for the Luke Society to hand out to the poor villagers in India! We have one more week left of Sunday School, and we would love to surpass that goal! If anyone else in the church would like to contribute to this project which ends next Sunday, May 5, please contact Karla Schwitters or leave your donation in her mailbox.

Pastor Joel starts a new sermon series: *The Will of God and Your Life*. The series will be for the next three weeks. The first message covers the Bible's teachings about the connection of God's Will and Your life. It will introduce the Four Universal Wills of God (first presented by Dr. Emerson Efferich). The next two Sundays we will look into these with a bit more depth in groups of two of the Wills each Sunday. **NOTE:** Deb and I are inviting anyone who would like to come to church at 4:00 pm for any of the next three Sundays to discuss, discover, and talk through application and implications. You are welcome to as many as you like to attend.

### **Friendship Ministry:**

Friendship met for their last regular Bible lesson on April 8. They went through the significance of Holy week with Laura Hoekstra leading the lesson through slides of Jesus entering Jerusalem, to the Lord's Supper, Jesus' Prayer in the Garden of Gethsemane,

His crucifixion and resurrection. Many of the students remembered the story well and were reminded that the price Jesus paid saves us from our sins and He left us with His Holy Spirit, so we can always talk to Jesus.

As usual, they enjoyed the singing, the large group lesson, Bible activity, cookies and fellowship with one another and their mentors. Thank you to the students and mentors who attended this year.

Our final meeting ended with a Banquet. We truly appreciated First Prinsburg Young People for serving our meal! They also joined us with singing and a game.

Staff members of the students were also invited to show our gratitude for bringing their clients. The students would be unable to attend if not for them!
